

## Code of Ethics Acknowledgement

It is the policy of Neenah to conduct business in a manner that is ethical and promotes the best interests of our customers, employees, and shareholders. As a result, we expect our suppliers to be ethical and honest and comply with all applicable laws and regulations.

To assist suppliers in meeting Neenah's expectations, basic guidelines for important areas of business conduct are outlined in the Neenah Ethical Purchasing Policy, Neenah Inc. Code of Business Conduct and Ethics, and the Purchase Order Terms and Conditions. **These documents can be found on our website under Supplier Resources.**

Please complete the signature section below once you have read the Code of Ethics documents and return this form to the Neenah Buyer with whom you have been working.
